Please tell us a little about your child:

(Please include any fears, favorite activities or toys, and any special names for objects that your child might use. For example, if your child has a special name for his/her comfort blanket or is afraid of loud noises).

Our goal is for your child to be safe, feel loved, and learn in an age-appropriate Christian setting. Please let us know if your child has special needs or has special requirements (whether they be physical, emotional, behavioral, or academic) so that we can partner to meet those needs.

Our Preschool environment might not be suitable for every child. We reserve the right to decline admittance or dismiss children from our program if it is determined we cannot meet their needs or if meeting their needs proves to be a hindrance to other students or teachers.

FBC Preschool is a non-profit, weekday preschool program for children ages 12 months through 4 years. This program is a ministry and education outreach of Thomasville First Baptist Church.
